

**16TH MEETING
OF THE HUNGARIAN STD SOCIETY
WITH INTERNATIONAL PARTICIPATION
HELD JOINTLY WITH THE**

**17TH ALPE-DANUBE-ADRIA CONGRESS
ON STD AND GENITAL DERMATOLOGY**

Danubius Health Spa Resort Helia, Budapest, Hungary
November 17-19, 2011

DEAR COLLEAGUES!

Welcome to the 16th Annual Meeting of the Hungarian STD Society held jointly with the 17th ADA Congress on STD and Genital Dermatology.

Our yearly national conferences always give a good opportunity for interdisciplinary consultation on various topics at the STI field between different medical professionals .

This year it is our pleasure to announce that this conversation will be international, and we will be able to exchange experiences not only between different professions but also between different countries.

Globalization brings worldwide challenges, but there are still local special issues, which we are able to discuss very well at regional conferences.

Our history and culture shows very much common characteristics, thus we can give advices and support to each other, how to approach issues, even how to solve problems .

We are looking forward very much to meeting you in Budapest and to hosting our friends to enjoy Hungarian wines, cuisine and culture with.

We hope you will enjoy your stay in Hungary!

Dr. Viktória Várkonyi
President
of the Hungarian STD Society

Dr. Tímea Tisza
Secretary-General
of the Hungarian STD Society
